

Hiring & Talent Selection

Hire for fit. Reduce costly hiring mistakes. Build stronger leadership benches.

Hiring Challenges We Solve

- Mis-hires that cost 30%+ of first-year salary.
- Turnover driven by poor role and team fit.
- Promoting strong performers who aren't ready to lead.
- Gut-feel hiring that rewards good interviewers, not good fits.

Recommended Assessments

DISC Workplace Insights DISC + critical thinking — built for hiring & role fit.	DISC Executive Insights DISC + Motivators + critical thinking for executive hiring.
DISC + Motivators Behavior plus the drivers that predict engagement.	Leadership Effectiveness 360 Evaluate and develop leadership readiness.

Best-Fit Clients

HR leaders, recruiters, and hiring managers in manufacturing, healthcare, professional services, small business, education, and government.

Use Cases

- Benchmark the behavioral profile of success before interviewing.
- Add objective data to final-candidate decisions.
- Evaluate leadership readiness for promotions and succession.
- Improve onboarding and team fit for new hires.

Expected Outcomes

- Fewer costly mis-hires.
- Faster, more confident hiring decisions.
- Better role and team fit.
- Stronger leadership benches and lower turnover.

Built from proven experience across workforce, leadership, sales, education, entrepreneurship, and talent development.
