

# Team Performance Workshop

Turn communication friction into clarity, trust, and accountability.

## The Problem It Solves

Teams underperform when people misread one another, avoid hard conversations, and lack shared accountability. This workshop gives your team a common language for how they think, communicate, and work — so collaboration and results improve fast.

## Who It's For

Intact teams, departments, and leadership groups that need stronger communication, alignment, and accountability.

## What's Included

- Pre-workshop behavioral assessments for every participant.
- Facilitated half- or full-day session led by a PPP practitioner.
- Team communication map and personalized style reports.
- Action plan for accountability and follow-through.

## Recommended Assessment Options

<b>DISC Workplace Insights</b> Behavioral style + critical thinking.	<b>Motivators</b> What drives each team member.
<b>Emotional Intelligence</b> Raise trust and reduce friction.	<b>DISC 360</b> Full-circle behavioral feedback.

## Workshop Format

Half-day or full-day • On-site or virtual • Teams of 6–30 • Customized to your goals.

## Expected Outcomes

- Clearer, more adaptive communication across the team.
- Reduced conflict and faster decision-making.
- Stronger accountability and follow-through.
- A shared language that lasts beyond the session.
